

**NOTE: This is a SAMPLE application only.  
*Do not apply using this file.***

Please contact the ABFA application chair at [application@theabfa.org](mailto:application@theabfa.org) to request an official application and to obtain a random identification code (usually a playing card) in advance to use in your case file submissions. This code will allow the Board of Directors to review your case files in the blind and is part of our effort to maintain objectivity during the application review process. Requesting the application directly from the application chair also triggers the application fee invoicing process, allows the chair to track your materials more closely as you submit them, and facilitates providing you with important reminders and updates during the application timeline.

Thank you for your understanding and cooperation.
